

Walk With Excellence 2019

Excellence! Be great. Do well.
And bring it to everyone.
We will excel
And help everyone excel.

Let each person be supreme!
Excellence!
This is our dream.
But is it “only a dream”?

No! Only this makes sense!
And we will make it true.
We will help to give it
To us and them, to me and you.

We will live it.
We’ll talk and walk our excellence,
And we will march and sing
The excellence of everyone:

That is the most real thing—
everyone’s greatness and success.
It’s not here yet? Well, you can bet
It’s a world that we will get.

It’s the justice that is coming—
The only world that makes sense.
It’s the gift we will sing and bring
As we walk with excellence.
